LETTER FROM BOARD CHAIR AND EXECUTIVE DIRECTOR

Dear Friend of 3 Generations,

We are excited to share our 2017 Annual Report with you. Here you will see the progress and achievements of 3 Generations throughout 2017.

Last year demonstrates the scope and impact of our work. We released three feature films and started work on a fourth one (*Pot Luck: The Altered State of Colorado*). We distributed a short film and shot another one. And we continued to beat the drum for social justice across multiple platforms: online, on social media, at speaking events and screenings.

None of this would have been possible without the support of our donors. We are lucky to have an ever-growing but loyal family of supporters who understand our unique approach to fighting injustice through storytelling.

With gratitude for the opportunity to continue our fight to defend human rights,

Nadia Zilkha
