# HERE LIVED WORLD PREMIERE

Our feature documentary has its world premiere at the Tuschinski Theatre in Amsterdam on March 12th, 2024

Summer, 2025

## Dear Friends of 3 Generations,

First, we want to thank everyone who supported us in 2024: by sharing their stories, by giving donations, by attending our films, by following us on social media, and by being part of our community.

For our team, 2024 was defined by three significant events. We collaborated with the Auschwitz-Birkenau Foundation around their project **Auschwitz. In Front of Your Eyes** by hosting its US premiere for an invited audience in February. Next, we filmed its educational premiere at Haverhill Public Schools in Haverhill, and in November, our short film premiered at the National Council for Social Studies Conference in Boston.

In March, our latest feature documentary **HERE LIVED** had its premiere at the **legendary Tuschinski Theatre** in Amsterdam. Hosted by the US and German Ambassadors to the Kingdom of the Netherlands and attended by 800 people, this screening was a filmmaker's dream come true. Subsequently, it went on to screen in over 25 film festivals and win awards.

In December New York Times Paris Bureau Chief, Roger Cohen, received the first **Sidney Bernstein Award**, which celebrates a storyteller with the courage and integrity to chronicle our history as evidence for future generations. He gave a wonderful speech, which underscored exactly why we were proud to give him this award.

As we face a troubled future across the world, we take solace and find courage in knowing that individual stories matter, now and for the future.

With appreciation and gratitude,

## THE RWANDAN GENOCIDE AGAINST THE TUTSIS

It was 30 years ago. We will never forget. We marked this solemn event with a campaign on Global Giving in **April**. In the words of one survivor, "If it could happen here, it could happen anywhere."

## VOTING RIGHTS

We created a non-partisan campaign to remind young people to vote for reproductive and human rights. It launched in **September** and continued throughout the fall.

## ROGER COHEN RECEIVED THE FIRST SIDNEY BERNSTEIN AWARD

The New York Times Paris Bureau Chief, Roger Cohen, was the unanimous choice to receive the first Sidney Bernstein Award in **December**. At the ceremony, he honored us with a beautiful and deeply moving speech. Dr. Stephen Smith moderated a Q&A.

# MISSION STATEMENT

3 Generations documents stories of human rights abuses through film. We enable survivors of crimes against humanity to record their experiences as an act of healing, a call to action, and to create historical evidence. We amplify and honor each witness’s voice by creating broad audiences: film festivals, educational outreach, theatrical and community screenings, social media, partnerships, web channels, and more. Our goal is to influence the national dialogue and build momentum for social change.
